## PROFILE

Art directing, concept art and illustration have been the main areas of my works as a group or individually, which eventually led to the production of some painting tableaux, movies, animations, games, comic strips and some websites and applications.

## EXPERIENCES

### Work Experience

#### • 2020/4 ... 2020/6

Budha Mahamuni storytelling was the last project that I worked on, it included a section of cultural stories and legends of the Eastern world, that compiled by an Indian tourist. This project, made entirely freelance furthermore, my duty was direction and illustration the whole story.

#### • 2017/8 ... 2019/3

Shahnameh was a serial project of Motion Comic owned by Avin Media Company, and I have been worked on this project presence at the studio for six months, furthermore my duty in this project was, design concepts including backgrounds and objects.

#### • 2014/9 ... 2017/4

The Last Fiction another of my recent activities which has been producing and publishing tookes on for three years, and I was as a 2D animator on that for nineteen months. this project was long and 2D movie production by Horakhsh Company that honored at many festivals such as Oscars.

### Personal Activities

My personal activities are usually in the field of painting and drawing that generally tried to turn subjects centered Persian literatures, into painting and drawing, moreover the model of these artworks is mostly illustration and concept art.

So far in these fields, namely concept art and illustration, I have participated several solo and group exhibitions.
