PROJECTS

Moxii - Find coach and learn

It is an online Marketplace where any user can find coaches for their needs. This platform allows members and coaches to experience only the benefits of coaching without any administrative burden. Everything is already set up for you to use at your fingertips.

Cove B&B:- Room booking System

This website is related to the restaurant which offers commodities. As the season changed, they upgrade their facility to operate as a whole house rental.

Kerry Kagiri WordPress

Kerry Kagiri is a platform for using her God-given skills in speaking, singing, dance, and acting to spread joy and hope both in Africa and the rest of the world.

Lumise

Lumise is a customize online Shopify store. Every theme comes with its own settings so you can quickly and easily create a customized shopping experience.
