# IMPORTANT DETAILS

UW COMPANY

MORE INFORMATION

When you get the job, we will discuss further on the other steps.

Price is discussable and we usually take 50% of the first salary you receive.

**60 USD**  
Prepayment for LinkedIn profile

**65 USD**  
Phone number with 5 USD deposit payed for 3 months.

**12 USD / MONTH**  
Prolonged phone number after 3 months

All expenses will be included in 50% of your salary

YOUR EARNINGS

## What You Get

### Second Month Commission

Transfer is 12% fixed. This means that 5000 USD, plus the taxes which is 5%, minus our commission which is 12% (all fees included). You will receive a total of 4180 USD

### Earnings

If you get a job and earn 5000 USD, for example, plus the 5% from your taxes and 1% of bank commission and possibly some banking fees for transferring money to you, it would be about 4600 USD. So our total payment will be 2300 USD minus all the expenses for passport, phone, and etc. So 2300 subtracted by 180 is equivalent to 2120 USD
